

FTTH BOX 8L-S003

FTTH Box outdoor optical termination box provides a high density wall-mounted solution for next generation networks, which aims to provide and manage maximum numbers of fiber termination in a limited space. It is normally installed in the way of wall-mounted.

FEATURES

- Water-proof design with IP-65 Protection level
- Integrated with splice cassette and cable management tools
- Manage small & large quantities of fiber with a high packing density
- Easy to maintain and extend the capacity
- Fiber bend radius control more than 40mm
- Suitable for the fusion splice or mechanical splice or fast connector
- Capacity of fiber up to 8 ports
- Varies of adapters are available
- 1*8 PLC Splitter can be installed as an option
- Efficient cable management
- UV protection and anti-aging material
- Burglar-proof padlock

CONFIGURATION

- Material: ABS
- Size: 250*190*39
- Max. Capacity:
 - 8 ports SC
 - 16 ports LC
 - PLC 1x8
- Empty Weight: 1.2Kg
- Loaded Weight: 1.7kg
- Color: Light Gray

Standard Configuration

Splice cassette and cable management tool, installation nuts and bolts, protection sleeves, hose clamp, rubber seal for cable entrance.

Optional Configuration

Extra lock and key.
